Remembrance Sunday.

On Remembrance Sunday there is usually a large parade at the war memorial in the village involving laying of wreaths and a two minutes silence. Buses and other vehicles stop and many people stop what they're doing. This year, due to the pandemic, there will only be a small ceremony at the war memorial led by the British Legion and our Reader Trevor. Wherever you are, you can still watch a ceremony on your television and participate in the two minute silence.
We will remember them.

Lockdown.

During the lockdown we will be posting Sunday service material on our website and links to services streamed from elsewhere but without any congregations. Pray that we will be able to meet together in the church after 2nd December.

Christingle

This year we will not be running Christingle services in the church. However, the head teachers have agreed with Jo to run suitable Christingle events in the schools at the end of November. The Co-op is donating 750 oranges and the church is providing all the other parts for the children to make their own Christingles. Thank you to the schools and the Co-op.

University service

Unfortunately, the university service which was due to happen on 15th November has had to be cancelled.

Prayers

Pray for the British Legion and its support of our Armed Forces community
Let us pray for all who suffer as a result of conflict, and ask that God may give us peace: for the service men and women who have died in the violence of war, each one remembered by and known to God; may God give peace.
