Today's service

Our service today is being led by Rev. Jennie Cappleman. Jennie is an assistant priest at St Mary's Goldington and has taken a service here for us before.

Next Sunday

Next Sunday we have our monthly family /all age worship service. We are very pleased to be able to welcome Mr Piatczanyn and the children from Cranfield C of E Academy who will lead the service for us.

Please join us supporting the children and make them and their parents feel welcome.

Our vacancy

We are now approaching the closing date for applications for the post of Priest in Charge of our benefice. There are currently six vacancies in our region so please continue to pray that the Lord will lead the right person to our church and that we will discern His choice.

World day of prayer for the sick

Tuesday 11th is designated as the world day of prayer for the sick. It is an awareness day, in the Catholic Church and was instituted by Pope John Paul II. It seeks to be for all believers "a special time of prayer and sharing" which is most appropriate in our troubled times.

In our prayers

- The PCC and church wardens
- The people of Wuhan and China and all those affected by the Coronavirus
- The residents of the Home Farm, Cranfield Park, and all the other new developments in the village.

O Heavenly Father, in whom we live and move and have our being, so guide and govern us by your Holy Spirit that in all the occupations of our daily life we may not forget you, but remember that we are always walking in your sight. Amen

"In the same way your light must shine before people so they will see the good things you do"

Matthew 5 v16
