Church on Zoom

With the current national lockdown we have made the decision to have our church services over Zoom for the time being.

We're also taking this opportunity to hold this as a benefice-wide service together with Hulcote and Salford. If you are unable to use Zoom then you can also join over the phone. If you would like to receive the details of how to join please contact Isaac.

Thank-You!

Many thanks to Emily Ward for her generosity of raising funds for the church during lockdown through the sale of items. These funds will help to support the ministry of the church in what has been a tricky financial time for us during this present crisis.

Prayers

Pray for us all as a church family as we enter into the season of Lent this week. Pray, as our collect says this week, that we would all be given, "grace to discipline ourselves in obedience to your Spirit; and, as you know our weakness, so may we know your power to save."

Please also pray for our auction of promises that is happening on Saturday. We have had so many great gifts and experiences promised from within the community. Please pray that in this week leading up to the auction that as many people as possible would be made aware of the event. Pray that it would run smoothly on the night, that good funds would be raised, and that a real sense of community spirit would be enjoyed by all.
