Bible Sunday.

Bible Sunday is a day on which churches celebrate the continuing impact that the Bible has on individuals and communities in this country and throughout the world.

It is celebrated annually, with churches across UK focusing their Sunday service on the same Bible passage and so joining with others around the world to celebrate God's Word. It has its origin with the Bible Society in 1904. In this year alone, the Bible Societies of the world have distributed over 25,000,000 full printed copies of the bible.

PCC commissioning.

Next Sunday we will commission our new PCC to carry out its function through the coming year.

Permitted Activities under the 3 Tier System

Praise the Lord that as long as we remain in the medium alert level we are still able to worship in church as an exception under the three tier system.

Prayers for

Cranfield Methodist church as it looks for the Lord's guidance on its future.

Give thanks that we can read God's word in our own language.

Pray that bibles will be written for every language and provided to the whole world.

All those who have postponed their wedding ceremonies because of the pandemic.

Your Word is the light we see, a guide for our footsteps to where you are found.

Your Word is the strength we find when darkness threatens to overwhelm.

Your Word is the power we need to become servants of a Heavenly King.

Your Word is the reason we live in the sure knowledge you are everything.

Amen
