**Cranfield**

- Sit in the pilot's seat of a real cessna 150 aircraft
- Refreshments served throughout the day
- Try your hand at landing an MAF plane on our flight simulator
- An event for all the family

## Coffee, Cake and Music

6TH APRIL, 9.45AM

ST PETER AND ST PAUL'S CHURCH

10.15am - 12:15pm - A selection of classical, folk, organ and other music

11am - New glass artwork unveiled with a short presentation by the artist

Donations gratefully received towards the upkeep of the building.  
Everybody welcome!

Did you know that in the 1940's a bomb dropped in Cranfield? The explosion blew out many of the beautiful stained glass windows in the church. These were then replaced with plain glass. However, the old glass, both Victorian and some medieval, was gathered up and for over 80 years lay almost forgotten in a big cardboard box.

These have now been cleaned and sorted and are being used to create a brand new stained glass window for the church blending old and new glass together. There will be 6 new panels each with a separate message but together creating a single cross.

The hanging and unveiling of the new window takes place on the 6th April at our musical coffee morning from 10am. At 11am there will be short talk with photos and videos about the project and the meaning behind each panel. All are welcome!
